

4 colours - 4C

1 colour - 1C

colours &amp; clearspace

The clear space is defined through the value „X“.  
X corresponds to the height of the logo bars.

Logo applications below 12mm in height appear without the addition.

The smallest representation of the logo is 6mm in height. Not to be shown smaller.

small representation

the addition „University of Applied Sciences“ is omitted for logo applications below 12mm in height.
